ROAR

Skill of the Week:

Focusing & Listening with Attention

This week our ROAR skill is connected to what students will learn during Guidance with Mrs. Schweitzer:

Rules for Listening

- Eyes are watching.
- Ears are listening.
- Voices are quiet.
- Bodies are calm.

Listening with Attention:

- Focus on the person's words
- Don't interrupt
- Ask questions to find out more
- Repeat what you heard to show you understand

Absences Due to Illness

Just a reminder to bring in a doctor's note if your child has been seen by a physician. Please remember to call the office to let us know who we should send your child's work home with when they are absent.

Morning Drop Off

The drop off lane behind the bus area is to allow students to exit their vehicle and keep the flow of cars moving so that parents can continually pull in.

Please park in one of the parking spaces in front of the building if you need to come into the school.
