NBC Activities Guidelines Regarding Varsity Events

On January 4th, the NSAA transitioned to 50% capacity at events. Therefore, NBC will make the following adjustments to attendance and seating at HOME events. These measures are subject to change.

Ticket Process:

- Players in each family unit receive 4 tickets each
- Band, cheer and dance participants receive 2 tickets each

Additional Tickets:

- Ticket availability will vary from game-to-game based upon our opponent and other activities occurring at school and that particular contest.
- Students can inquire about available tickets the day before the contest; community members can inquire about tickets the day of the game by calling the office at 652-3268.

Modifications to Seating:

Introduce the Pep Band back to games

- Pep Band sits on SW corner of Tiger Arena

Introduce Student Section back into games

- Students sit in SW corner of Tiger Arena

*** The NSAA and NBC continue to require mask wearing. The seating in Tiger Arena will be clearly marked to separate fans from the home and away teams. Fans will continue to be asked to separate as much as possible and sit by family unit. Fans must present a ticket at the entrance prior to paying admission and gaining access to the gym.
